EXPRESSIONS  
 1 Resistor to show ohm  $\times 1,000$  or  $\times 1,000,000$   
 2 Unless otherwise noted in schematic all capacitor values less than 1 are expressed in  $\mu$ F. The values more than 1 in  $\mu$ F.  
 3 Unless otherwise noted in schematic all inductor values are expressed in  $\mu$ H and the values less than 1 in mH.

NOTE  
 The circuits are subject to change without notice to improve the picture quality.

CAPACITOR
